WEDDING DANCE FLOOR DJ PERFORMANCE

THE FIRST DANCE

Whether you have two left feet or you're a professional ballerina, your first dance as husband and wife will have an everlasting memory. The important elements of a first dance are song choice, atmosphere, lighting and timing.

We can also mashup a handful of songs together and provide you with a recording for you to practice your first dance to.

Now get ready for the bride and her father dance then the groom and his mother dance. All optional of-course.

WHAT'S INCLUDED?

- Sound System
- Wireless Microphone

OPTIONAL ADD-ONS

THE BOUQUET TOSS & GARTER

Call out all the single ladies and unmarried woman to the dance floor. Groove DJs put a modern spin on an age old tradition of throwing your bouquet.

Guys, now it's your turn. Brace yourselves and get ready to catch the brides garter.

Who will be next to walk down the ceremony aisle?

THE DANCE FLOOR

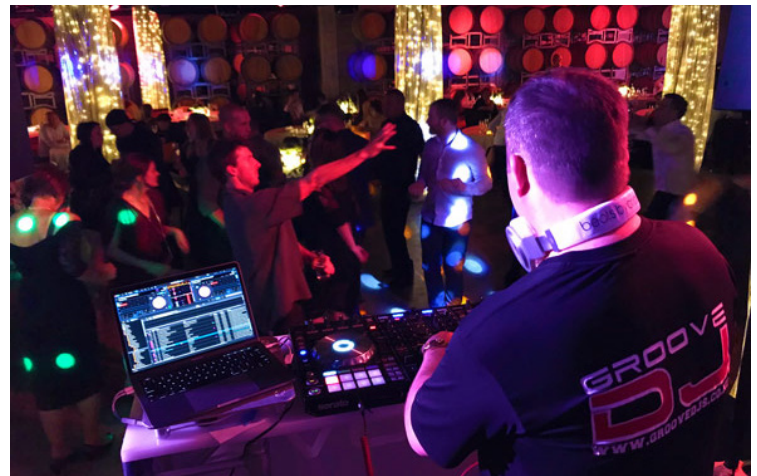

This is where our DJs can really show off their skills and talents. Our DJs are great at reading a crowd and playing the right song at the right time. Song requests are always welcome and these will be mixed in throughout the night. Our music library is now close to hitting half a million songs. We have all performed at a huge variety of events so any style of party can be catered for. From a conservative soiree to a raging dance party.
